

Slow Hand (Hot Cowboy Nights Book 1)

In rural Montana... Wade Knowlton is a hardworking lawyer who's torn between his small-town Montana law practice and a struggling family ranch. He's on the brink of exhaustion from trying to save everybody and everything, when gorgeous Nicole Powell walks into his office. She's a damsel in distress and the breath of fresh air he needs. Even the lawyers wear boots... Nicole Powell is a sassy Southern girl who has officially sworn off cowboys after a spate of bad seeds—until her father's death sends her to Montana and into the arms of a man who seems too good to be true. Her instincts tell her to high tail it out of Montana, but she can't resist a cowboy with a slow hand...
