

Soul Relenter (Soul Saga #3) (Volume 3)

Accacia finally returns to the Continent with the Asquithians under her command. It may be the extra leverage they need to overthrow Drake, the worst dictator in their history and the man who tortured Accacia mercilessly for years. But she feels uneasy. She fears Aleco more than she fears anything. How will she tell him the truth? That she no longer belongs to him. And will he accept that decision?
