

## Samantha: Never Say Never (The Powells) (Volume 2)

When Samantha finds herself wanting two different men, how far will she go to fulfill her desires? After spending years crewing for her sister on the racing circuit, Samantha Powell never imagined that she'd be embarking on a race of her own. Samantha finds herself falling for two men.

Adam Westbrook has treated her with nothing but kindness and respect. He's been her rock when she could think of nothing but darkness, but Daniel Ashby makes her body sizzle with just one touch. Both are determined in their pursuit of her. Whom will Samantha give her heart to when it appears they both hold a place there? Find out in *Never Say Never*, where love, passion, and secrets are bound to be explosive!
