

Douche: A Bad Boy Stepbrother Romance (The Authors Edition)

Yeah, Im a real a**hole, a grade-A DOUCHE, but I always get what I want. Or I did, until SHE came back into town. Zayde Knight is bad news. Hes a typical pop star: arrogant, rich, and a complete douche. Hes also my stepbrother. So why cant I get him out of my mind? Zayde Knight doesnt do commitments. Hes got enough trouble as it is. Hes stuck back in his stepfathers home for the summer trying to rehabilitate his image so he can go back to being the worlds currently most adored pop star. But skinny, frumpy, preppy Maddy is back in town and it looks like shes changed a lot since he last saw her. Hes got plenty of hot girls to choose from, so why is Maddy the only one on his mind?

Madison Pierce has her life on track. Shes back in L.A. for the summer before starting Stanford to work an internship that will make her father happy. But theres one big problem: Zayde. Zayde Knight is the bad boy pop star of the moment, and his mom also happens to be married to her dad. Hes the epitome of everything Maddy hates: a cocky, self-centered womanizer who only cares about himself. Hes also really freaking hot. Every girl wants him. Except for Maddy. She knows better than to fall for the bad boy, right?
