

Stripped Naked

Newly single billionaire Daniel Knight has it all—luxurious estates, a successful company and a whole lot of stress. After his personal physician orders Daniel to take a vacation, he takes off for his private island in the Virgin Islands. Dr. Sander Jonas has lusted after his patient for years but due to a pesky sense of professional ethics not to mention Daniel's former boyfriend, he's never made a move on Daniel. But when Daniel is injured, Sander rushes to his boss's aid and finally gives in to the overwhelming attraction he's kept hidden for too many years. Scorching water sex with custom-made adult toys, hot, loving nights surrounded by lush palm trees and white sandy beaches proves to be exactly what the doctor ordered to heal Daniel's wounded heart. Please note: This title was formerly published as *Attracted to Him*
