And by fun she means learning all about the world of dating and sex. Lucky for her, she's found just the right guy to teach her. Undercover security consultant, Shane Atkins, knows better than to let himself want anything or anyone too much. Wanting is dangerous. It leaves you vulnerable. Too bad the one and only thing he wants the girl he's been charged to protect is the girl he can't have. Will Shane dare to grasp his chance at happiness or will he give it all up for the mission. Will Trista be able to trust him when it matters most? Warning: Sexy, sass talking women will make you laugh, cry and want a pair of killer footwear.

SEDUCTIVE IN STILETTOS is a full length New Adult Contemporary Romance.

Interview with the Author Q - So, what makes the In Stilettos series special? A - First and foremost, it's a story about these single women and their strong friendship. I wanted to create characters that were relatable and that I would want to hang out with. Strong women and the alpha males who compliment them. Those are the kinds of contemporary romances I love to read. And as always, I had to make it funny, because romantic comedy is where my heart is. Q - What order should I read the books in? A - Great question! Originally, the series was meant to be three books, but the fans called for more so I went back with a baby story and eventually rebooted the series with a New Adult Romance twist! I'll be continuing the series in 2016:

- Sexy in Stilettos - Sultry in Stilettos - Sassy in Stilettos - Strollers & Stilettos - Seductive in Stilettos - Tempting in Stilettos - Teasing in Stilettos - Sinful in Stilettos - Tantalizing in Stilettos Q - So,

why should readers give these books a try?
A - Because the books in the In Stilettos series are fast-paced, hilarious reads that will make you laugh out loud, cry a little and want a best friend as incredible as Jaya, Ricca, not to mention Alec, Beckett & Caleb. If you love Romantic Comedies, or Chick-Lit Romance with an ultra sexy twist, youre in the right place. Ultimately, readers who enjoy fast-paced, romantic comedy reads, with military love interests, virgins and bad boys, friends to lovers, undercover, mistaken identity, and redemption, the books in the series have something for you. Q - Can readers get the whole series in one go? A Ive put together a bundle for those who like to keep the party going after book 1. It includes the first three books in the series. As I write, Ill be bundling more! Check out my author page for more details, and a full list of my available titles. And thanks for reading!
