

## Tempting Tristan: Tristan Brewer (Harborside Nights)

Tempting Tristan is a stand-alone M/M romance featuring two sexy, lovable alpha heroes. TRISTAN AND ALEX Fresh off the heels of yet another bad relationship, Tristan Brewer is taking a break from men to try to figure out where he keeps going wrong. He knows his biggest fault?he leads with his heart, not his head?and thats never going to change. But after several introspective weeks, hes beginning to get a handle on things. That is, until badass heartthrob Alex Wells walks into his bar... Alex has spent eight years in the army, months in a hospital bed, and far too long hiding his sexual identity. Hes guilt-ridden, damaged, pissed off, and up for a Silver Star for the incident that nearly cost him his life?and kept him from his grandmothers funeral. But all he wants to do is live the life hes always dreamed of and forget his stint with the institution that allows but doesnt necessarily accept. The chemistry between Tristan and Alex ignites from the moment they meet, and the more time they spend together, the hotter the flames burn. But the closer they become, the more Alexs walls go up, and when the two walk onto a military base, Tristan finds out Alexs physical scars arent the ones that run the deepest. \*\*\* Melissa Foster is synonymous with sexy, swoony, heartfelt romance!
