

The Adventures of Steve

You are the only one who knows what its like to be you. And I, am the only one who knows what its like to be Steve... Until now. Im sharing a rare and entertaining glimpse into the life of an eclectic entrepreneur. People have described me (Steve) as a cross between Don Quiote and Leonardo Da Vinci. You will laugh as I chase chickens and grit your teeth as I describe mountain living. In the end, you may learn a thing or two about life. Relax and enjoy, The Adventures of Steve.
