

Beautiful Chaos: The Complete Series

Sexy. Hot. Suspenseful.. A Movie Star Romance from USA TODAY Bestseller Arianne Richmond.*He wants to make a new name for himself.She wants a fresh start.But their reputations may destroy it all....Movie director Jake Wild is the wildest player in town, and he plays to win. From a family of Hollywood royalty, Jake is used to calling the shots. This time, Jakes ready to win on his own terms--playing by his own rules. His new movie will get him right where he wants to be. Determined to skyrocket to the top without his past bringing him down, he refuses to let a troubled starlet ruin his chance at redemption. But when he meets the hell-raising beauty, Star Davis, Jake realizes he may have been wrong about the trouble-making megastar.With a series of bad choices and worse luck, Stars life took a downward turn, spiraling out of control. Now, shes back, and better than before--at least thats her goal. Done with her crazy antics and party-girl lifestyle, Stars ready for the limelight again--reinventing the girl they all once knew. But Jakes hellbent on resisting Star and refusing to see the new woman shes finally become. He wants the liability on legs nowhere near his upcoming blockbuster.Can two reformed misfits battle the demons of their past and create a beautiful chaos together?Lights, camera, action...But the action is not what they expected.**This is a standalone novel with NO CLIFFHANGER.**
