#1 New York Times bestselling author Sherryl Woods brings readers two classic tales of the Calamity Janes fierce friends facing challenges in life and love. Do You Take This Rebel? Cassie Collins fled Winding River, Wyoming, when she discovered she was pregnant. Now, ten years later and stronger, she's been drawn back to town for a reunion with her friends, the Calamity Janes. But is she strong enough to stand up to Cole Davis, the wealthy father of her child who has the power to take away her son? Or can they finally become the family she always dreamed of? Courting the Enemy Karen Hansons oldest friends, the Calamity Janes, are urging her to sell her struggling ranch to brooding, enigmatic Grady Blackhawk. But how can she possibly sell out to her late husband's worst enemy? Spending time with her handsome adversary could cost Karen a lot more than her ranch. Grady suddenly far less interested in the land than he is in claiming Karen herself!
