Inspirations For Your Awakening is a masterpiece of spiritual insight. It contains profound messages based on thirty years of study and practice with the I Ching, as well as many other spiritual texts. Everyone can find wisdom to further their personal and spiritual development. Like the original I Ching, you can use this book to seek guidance about specific situations and issues. The author has discovered a series of powerful transformational mandalas within the structure of the I Ching that he reveals in the pages of this book. These patterns open your chakras and allow healing to unfold, bringing you closer to your truth. They represent the cumulative results of a 3000 year old tradition and its evolution into a new level of awareness and spiritual knowledge. The messages in this book will help you stay centered and clear as you grow.
