

The Greek Tycoons Green Card Groom (Dreamspun Desires Book 14)

Marriage gets less convenient when love is involved. It started simple: Ondrej Kovac marries Archie Katsaros so Ondrej can stay in the US, away from his judgmental family in eastern Europe. Archie marries Ondrej in exchange for the money to bail out his failing company. Its a fraud neither man is convinced he can pull off. But as Archie introduces Ondrej to New York society and Ondrej proves his skill in the office, they start to discover a connection between them. Can they overcome the rocky foundation their relationship was built on, meddling immigration agents, gossip columnists determined to out their deception, and an aggressive executive set on selling Archies company out from under him? Only if they can prove to each other their love is worth fighting for.
