

The Iron Horseman: Redbourne Series Book Four - Levis Story (Volume 4)

She has a job to do CADENCE WALKER joins the Pinkerton agency, seeking justice for those who wronged her. When she receives the assignment to locate a missing agent and prevent an attack that would affect the future of the newly united nation, she embarks on a race to the finish with a man whose eyes fill her with hope and whose kiss promises a second chance at love. He wants to make a difference LEVI REDBOURNE wants his sizeable inheritance to build respectable rail towns that will help provide a new start to good people suffering the repercussions of war. There's only one catch he must find a bride a task that will have to wait until the railroad is complete. When those bent on seeing the country divided threaten everything he's worked for, he discovers that the smart, skilled, and beautiful Pinkerton assigned to his train is the one woman who can make him see that love has no timetable.
