

# The Other Side of the Ice: One Family's Treacherous Journey Negotiating the Northwest Passage

An Emmy-winning filmmaker's epic expedition across the Northwest Passage. Sprague Theobald, an award-winning documentary filmmaker and expert sailor with more than 40,000 offshore miles under his belt, always considered the Northwest Passage the sea route connecting the Atlantic to the Pacific, the ultimate uncharted territory. Since Roald Amundsen completed the first successful crossing of the fabled Northwest Passage in 1906, only twenty-four pleasure craft have followed in his wake. Many more people have gone into space than have traversed the Passage, and a staggering number have died trying. From his home port of Newport, Rhode Island, through the Passage and around Alaska to Seattle, it would be an 8,500-mile trek filled with constant danger from ice, polar bears, and severe weather. What Theobald couldn't have known was just how life-changing his journey through the Passage would be. Reuniting his children and stepchildren after a bad divorce more than fifteen years earlier, the family embarks with unanswered questions, untold hurts, and unspoken mistrusts hanging over their heads. Unrelenting cold, hungry polar bears, and a haunting landscape littered with sobering artifacts from the tragic Franklin Expedition of 1845, as well as personality clashes that threaten to tear the crew apart, make *The Other Side of the Ice* a harrowing story of survival, adventure, and, ultimately, redemption. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sportsbooks about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling,

horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
