

Second Time Around

Loves more comfortable the second time around. Just as wonderful with both feet on the ground ... Winds of Destiny - Sitting alone in a bar on her fortieth birthday wasn't something Katherine Armand had ever planned. With her marriage over, better to pay attention to her career. A big-shot developer was flying into her sleepy, coastal fishing village to discuss building a resort. Katherine was a top-notch negotiator for her law firm. Anderson was eager for the land. This should be as smooth as sailing gentle Gulf waters. Except Anderson sent his top man to broker the deal ... and Katherine hadn't planned on having to bargain with Michael Whitfield, the man who had broken her heart fifteen years ago, ever again.

Lizzies Laces - Two years ago, Lizzie Rawlston left her home in Boston for Liverpool, determined to start a new life and forget all about Tony Sinclair, the handsome packet captain who had once been her best friend-and with whom she had the misfortune of falling in love. However, Tony had made it clear he wanted only one thing in life: the sea. He didn't want to be bothered with a family, or worse, a wife. Now, with Lizzie's father sick, possibly dying, Tony has appeared to bring Lizzie home. As they race against time to get Lizzie home before her father passes away, Tony and Lizzie rediscover the magic they've always shared. But when a storm blows up, threatening the ship and all of their lives, Tony will have to confront his greatest fear. Can he love Lizzie and still love the sea? Does being the fastest also have to mean being alone?

The Spirit of Love - A tragic accident leaves Brynna and Travis devastated. Instead of turning to each other for comfort, they drift apart. prevail and anam cara-soul friends can visit. Will Travis and Brynna confront the spirit of love, allowing them a chance to heal and find their way back to each other? The Garden Swing - Tess Murphy loves hearing stories from her elderly patient, Emmeline. When the woman dies, she leaves a dilapidated Victorian house that may be more trouble than its worth. But when Tess tries out an old, unique swing in the garden, she hurtles back in time, and to the arms of the houses handsome owner, Hugh MacAllister. She faces the hardest choice of her life: to return to her own time, or to stay and become a part of history. Only and Always You - Ten years ago, two hearts were broken. Will Viscount Seton and Lady Claire be able to set aside their hurt and betrayal to have a second chance at love with each other?
