

Mills & Boon comics: Traded to the Sheikh

In order to meet up with her sister and her husband, who live in politically unstable Zimbabwe, Emily travels on her own to Zanzibar. Her biggest mistake is to accept the charming words of a French trader who offers her a free ride in a yacht in return for her services as a crew member. This man turns out to be a drug dealer, and after being exposed by the sheikh, the trader offers Emily as a gift! The sheikh thinks she is a prostitute, and her attempts to convince him otherwise fall on deaf ears. And now, she finds herself held captive in the luxurious palace...!
