

My Billionaires Baby (Two Sweet Surprises for the CEOs Son) (Billionaires and Babies Book 1)

A tale of jealousy, young love and redemption. Even though Max came from a wealthy family, he was headed to the poorhouse. His refusal to go to college and his constant fights with his father left him depressed, on edge, and dangerously irresponsible. With Charlotte, he wanted to do everything right. Too bad she just wasn't interested after he cheated on her. She used him for pleasure, but didn't want anything else from him. Poppy, on the other hand, had loved him since they met. Max only ever saw her as a friend, until one drunk night... Now he has two bundles of joy on the way, and a messy life to clean up fast.
