

## This Game Has No Loyalty III - Love is Pain (Volume 3)

In Part One Junior learned about disloyalty the hard way, in Part Two he tries to recover from a broken relationship and destroyed friendships. He tries to regain control of his life and sets out to get back all what he had lost and in the wake of it all he is shocked to find out someone from his past is seeking bloody revenge. In the end, Junior and Muffin barely escape with their lives from the attempted ambush. With a possible murder conviction over his head and the threat of being murdered by La, Junior has to make some quick decisions that will ensure his continued existence on the streets. He is still faced with his broken relationship with Shondra and is having a hard time dealing with her betrayal with Chico. Junior thinks long and hard on a fool proof plan that will build his capital back up to where it once was and how to get rid of La once and for all. Junior sets out to a small town in North Carolina and plots the murder of La in hopes of being rid of him and anymore disloyalty, finally. Once his plan has been carried out, will Junior finally be able to put the past behind him and move forward with his life or does his past continue to haunt him? BOOM!
