

Spring Rush: Raven Harbor Romance, Book 1, Olivia

Olivia Sarlin is on a mission. Ice-blue eyed Australian football god Tyson Baldwin has her knickers in a serious twist - in her fantasies at least. She's minutes from pressing the flesh with him when a sexy, dark mystery man bowls her over like china in a tea shop -- completely foiling her plan. His unapologetic manner ignites her fiery temper. That is until the sparks set off an inner flame and she is irresistibly drawn to him. It's like the stars have aligned. Could he be her destiny? But a wealthy, ridiculous would-be suitor has his own plan and places himself in their path. His malevolent heart will stop at nothing to have her, setting off a string of events that threaten to throw a wrench into her life and come between her and the man she loves.

Spring Rush is a steamy, contemporary romance with colorful characters and a splash of humor. (This book contains adult situations and explicit content, 18+) Don't miss the unfolding Raven Harbor Series...
