

Fire in the Rockies (Corbins Bend, Season Four Book 7)

Fiery and strong Kelly Carmichael is a bit of a chip off the old block. Her father Jack and her uncle Brent are strong dominant individuals who can get the job done. And yet there's a part of her that desires to be dominated in the bedroom. Unsure of her own desires in the DD department, she moves to Corbins Bend to be close to family and to work at the Corbins Bend Medical Center. Her first day she runs into RJ Butler. RJ has been in Corbins Bend for a while and wants nothing more than to find a woman he can take care of and develop a solid domestic discipline relationship with. Fiery, intelligent Kelly catches his interest and it isn't long before he wants more. He just can't tell if she is truly willing to submit to him. Sparks fly and heat rises in the Colorado Rockies. If RJ and Kelly can make it through the embers, their relationship just might make it. But when a forest fire cuts them off from all help, it's them against nature. Will they make it home? Or is their fire set to go out?
