

## The Gift (1Night Stand Book 113)

At 22, rancher Wyatt Malone sacrificed almost everything, including the Dom he served and loved, to raise his younger brothers. Now, with the ranch running well, his grown up siblings surprise him with a trip to a Caribbean paradise and a date from Madame Evangelines 1Night Stand. Taking his courage in hand, he fills out an application that bares his soul for a single night of surrender to a nearly forgotten passion. Rafael is a Dom without a sub. His desires exceed the available men in the dungeon he frequents and memories of rejected love keep him aloof. Can the submission of a Montana cowboy free him or will the date be nothing more than another meaningless scene?
