

## Wolf Call (Mountain Wolves Book 5)

Jake knows what he is: a motorcycle mechanic with a bad temper and no education beyond high school. A beautiful, wealthy art dealer like Conrad should be a million miles out of his reach. But Conrad wants him, maybe even loves him, and Jake wants desperately to believe this is real. Its not easy. Its even harder to believe Conrads big secret: hes a werewolf. Determined to earn Jakes trust, Conrad takes him to a meeting of the wolf pack. When the moon rises, Jake will see the truth for himself. But will that truth bring them closer together, or tear them apart? The fifth book in the Mountain Wolves series, Wolf Call is 30.000 words long.
